LIQUOR LICENSE EXCEPTION PERMIT (CITY FILE NO. ABC 06-002)

Location: Eastside Community Center
2150 Alum Rock Avenue
San Jose, CA 95116
Date: October 23, 2006
Time: 6:00 p.m. – 8:00 p.m.

Dear Neighbor,

Seafood City Supermarket and City of San Jose Planning Division staff would like to invite you to a community meeting on the application for a Liquor License Exception Permit in the area depicted on the map. Seafood City Supermarket is a chain of thirteen (13) full-service supermarkets offering the best value on the freshest produce, seafood, USDA-approved meat and a wide selection of grocery items. The application for a Liquor License Exception Permit would allow Seafood City Supermarket to sell beer and wine for off-site consumption only as an ancillary use to the operation of a full-service supermarket for the convenience of its customers.

Community Meeting: The purpose of this meeting is to answer any questions and listen to comments the public may have for this proposal. The applicant will present an overview of the proposed use, and the City staff will explain the Planning Department process for the application for a Liquor License Exception Permit. There will be an open forum for questions and comments.

Your participation at this early stage of the planning process will help us analyze the Liquor License Exception Permit request. If you have any questions before the meeting or during the process, please contact:
